

MISS MIDLER'S SHOWCASE

My name is
Cecilia Constance Midler,
CC to my nearest friends, and I
come from a little old town in the American
Smokey Mountains called Pigeon River. For
many years folks back home have enjoyed
my showcase dinner theatre and now were
here in the UK! In partnership with some real
nice folks
'We made it from Scratch productions'
and 'Stars Community CIC' -
we're here to entertain ya'all!!

We made it from
Scratch productions is a
Community Theatre Group
launched in July 2025 from the
Socialise Friendship Group in Wingate.
Born from members '5 wishes' for a fun,
safe, welcoming and daring creative space,
we celebrate local culture through inclusive,
intergenerational performance, our mission
is to promote wellbeing, pride and
connection by ensuring everyone
onstage, backstage or in the audience
plays an equal part in bringing
shared stories to life.
