

Petition for A181 proposed traffic calming zones

This form includes questions about the proposal of two traffic calming zones. If you have driven in only one zone, complete the questions for that zone. If you have driven in both, please complete both sections.

Zone 1: Thornley, Cassop and Shadforth junctions with A181

Please answer the following survey questions by selecting your response:

1. Do you feel concerned about safety when using these junctions? **YES / NO**
2. Have you been involved in an accident or observed an accident at these junctions? **YES / NO**
3. Have you been involved in a near miss or observed a near miss at these junctions? **YES / NO**

Zone 2: Wheatley Hill junction and garage entrance and exit with A181

Please answer the following survey questions by selecting your response:

1. Do you feel concerned about safety when using these junctions? **YES / NO**
2. Have you been involved in an accident or observed an accident at these junctions? **YES / NO**
3. Have you been involved in a near miss or observed a near miss at these junctions? **YES / NO**

Proposals to improve traffic safety

Choose **ONE** of the following proposals as a solution to improve traffic safety in these zones:

- electronic speed signs to create a 40mph traffic calming zone **YES**
- traffic lights **YES**
- 50mph speed limit from Running Waters roundabout to the junction with A19 **YES**

Petition Declaration

If you support a petition for a full National Highways review to install traffic safety measures around these zones please print your name below:
