(2) Parking – Front Street

The Clerk reported that at the last meeting concern was raised at the number of vehicles parked along the Front Street and around the entrance to the Community Centre. Whilst the vehicles were taxed and tested they were making it difficult for residents to get parked and were causing an obstruction at the junction leaving the Community Centre.

The Police were made aware of the issue and had advised that the parking problems were not a

Police matter unless the vehicles were causing an obstruction.

(3) PACT Meeting

The Clerk reported that the next PACT meeting would be held on 18 September 2025 at 6pm in the Community Centre.

RESOLVED that the information given, be noted.

- Durham County Council had received a planning application for a Battery Energy Storage System (BESS) on land to the northwest of High Crows House, Wheatley Hill. The application fell under the Easington and Shotton Division and the parish of Shadforth.

7 CORRESPONDENCE

(1) Request for Financial Assistance - Wheatley Hill Mothers Club

Members were advised that the Heritage Centre would be closed from 18 December 2025 to 10 March 2026.

RESOLVED that the information given, be noted.

(3) HMOs – Article 4 Direction

The Clerk reported the receipt of correspondence from Durham County Council advising of a consultation on a proposed non-immediate Article 4 Direction that would remove permitted development rights that currently allowed the conversion of dwelling houses into small Houses in Multiple Occupation (HMOs) for between 3 and 6 residents without the need for planning permission.

The County Council had already introduced this measure for smaller HMOs in areas where there was a concentration of student properties. The proposed Article 4 would cover the remainder of County Durham.

Following the consultation, the County Council would consider all the responses before deciding

whether to confirm the Article 4 Direction. If confirmed, it was expected the Direction would come into force on 17 August 2026, and planning permission would be required for any new HMO conversions from that date onward.

RESOLVED that the information given, be noted.

8 PLANNING APPLICATIONS

(1) DM/25/01975/FPA – Sub-division of property into 2 separate flats at 9 Alexandra Terrace, Wheatley Hill

Members discussed the above planning application at length and raised the following concerns.

- To allow a three bedroom family property to be sub divided into two separate flats would add to the existing problems on the Front Street. The Front Street was a mix of residential and commercial properties and had a history of persistent anti-social behaviour and low-level crime. The Police, Neighbourhood Wardens and Fire Service were repeatedly called to deal with incidents on the Front Street. There were on-going problems associated with youths congregating and causing a disturbance/nuisance on the Front Street.
- The application was to convert an existing three bedrooomed two storey terraced dwelling into a ground floor one bedroom flat and a first floor one bedroom flat. There was a history of vulnerable people who lived in the vicinity of the Front Street being targeted by local youths and taken advantage of, this left them vulnerable to crime and anti-social behaviour. There was concern that these flats would be offered to vulnerable people who would in turn be targeted.
- The property was owned by a landlord who was unable to manage the properties he already owned in Wheatley Hill. The owner had multiple rental properties in Wheatley Hill that were either in a state of disrepair, empty or occupied by tenants who were poorly supported, often resulting in anti-social behaviour, criminal activity, untidy gardens and a general sense of neglect around the properties.
- The Front Street suffered from many empty, abandoned and boarded up properties. The Parish Council was concerned that this property would end up neglected and not properly managed.
- Families living on and in the vicinity of the Front Street were concerned about the number of absentee landlords that were buying up property and not managing them properly.
- The property was currently one dwelling and the application proposed to divide it into two separate flats. This risked adding additional vehicles onto the already busy highway. Wheatley Hill Front Street had seen an increase in the number of businesses in the area,

which had positively attracted additional traffic and parked vehicles. However, should this application be approved, it would see the traffic flow and number of parked vehicles increase, which would create extra risks on the highway. Junctions were already difficult and dangerous to pull out of, without additional vehicles.

- Linked to the above, dividing this property into two, risked additional vehicles being parked long term in the vicinity. The application does not propose adding additional parking spaces. Therefore, tenants who may have vehicles, would need to park in the already busy area. This would cause extra risks on the highway.

RESOLVED that;

- (i) the Parish Council object to the application on the grounds outlined and the County Council be asked to refuse planning permission.
- (ii) the County Council be asked to refer the application to the Area Planning Committee and a site visit be held to allow Members of the Planning Committee the opportunity to view the site and the surrounding area.

(2) DM/25/02005/FPA – Change of use of lounge in dwellinghouse (Class C3) to shop for the sale of mobile phones and vapes (Class E), remove existing lounge window, install new shop front window/door at Halcon House, Front Street, Wheatley Hill

RESOLVED that the information given, be noted.

(3) DM/25/02094/FPA – Proposed single-storey extension to existing building to provide early years learning space including classroom, toilets, group room, storage, cloakroom, and erection of external canopies at St Godric's RC Primary School, Thornley Road, Wheatley Hill
